Vice Principal's Message

Kudos, Generians!

Despite the unprecedented challenges, our A Level students outperformed at the CAIE Results, alhamdulillah, and have set higher benchmarks for their peers.

I congratulate each student, teacher and parent for the fruits of their labour. It was certainly not easy, the circumstances made teaching & learning challenging. I am immensely proud of my Generians' resilience in the pursuit of excellence. This is the very spirit you all must keep alive in your hearts & minds, for this is just the beginning of the many worthy battles in life! And I am certain you will be steadfast & resolute in attaining the best in all walks of life, insha'allah.

I also pray & wish our O Level students the best. They have taken their assessments in July and the results are expected soon.
