New Benchmarks!

This year, our students and teachers at both O and A Levels have set a number of new benchmarks for Academic Excellence.

At the culmination of Grade XI, over 180 students demonstrated academic prowess, with half of all O Level exam attempts earning A Star or A grades, and three out of every four attempts resulting in A Star, A, or B grades. Notably, 25 students achieved straight A Star and A grades across all subjects.

The outstanding results this year in English Literature, English Language, and Urdu (First Language) are particularly inspiring, masha'allah. Similarly, our A Level

students have excelled, with over 80 students completing their exams at the end of Grade A2. Half of their exam attempts resulted in A Star, A, or B grades, and 25 students earned straight A Star and A grades across all their subjects.

The exceptional achievements in A Level Mathematics and Accounts this year are especially encouraging. These accomplishments reflect the unwavering dedication, hard work, and commitment of both our students and teachers, setting a high standard for future cohorts to aspire to.

More Than Just Grades

Success in learning at Generation's has always been more than grades, and today, as we celebrate the announcement of your Cambridge results, we reaffirm this belief. Your journey through the rigorous Generation's curriculum has equipped you with not just knowledge, but the skills to think critically, analyse deeply, and communicate effectively. These attributes will serve you well beyond the classroom, empowering you to make a positive impact on the world, insha'allah.

While we commend those who achieved outstanding results, we also recognize the effort and dedication each of you put into your studies. Remember, success is a multifaceted concept, and your growth throughout this experience is something to be proud of.

As you embark on the next chapter of your lives, whether it's further studies, careers, or personal pursuits, carry with you the confidence, resilience, and passion for learning that you have cultivated here. The Generation's community will always be here to support and cheer you on.

Mubarak! Your future is bright.

Sincerely,

Ms Uzma Shakeel

Kudos, Generians!

Dear Students, Parents, and Faculty,

I'm delighted to announce our students' exceptional O and A Level results, setting new benchmarks for academic excellence.

Our O Level students achieved remarkable results, with half securing A Star or A grades. We applaud the 25 students with straight A Star and A grades.

Our A Level students also excelled, with half attaining A Star, A, or B grades. 25 students achieved straight A Star and A grades. The outstanding performance in Mathematics and Accounts is particularly noteworthy.

These achievements reflect the dedication of our students and the unwavering support of our teachers. Congratulations to all!

Beyond grades, we're proud of the well-rounded individuals our students are becoming. We look forward to their continued success.

Sincerely,

Ms Sabeen Tariq
